1. The amendment and response to the Office Action each filed on May 2, 2005 has been entered. Accordingly:

- Claims 2 and 20 have been cancelled; and
- Claims 1, 3 and 4 have been amended.

Allowable Subject Matter

2. Claims 1, 3-19 are allowed.

The prior art of record, including Diaco (US Patent No.: 6,585,394 B2) and Hsu (US Patent No.: 6,394,624 B1), does not show or suggest the applicant's invention as claimed. Specifically, the prior art of record does not disclose lighting system combining:

- a mounting bracket including a plurality of "U" shaped cuts in it upward directed edge for receiving the connecting member of the light cover as recited in Claims 1 and 19.

The above-indicated combination, including a mounting bracket having its edge configured for mounting of a light cover, makes this invention unique.

Neither combined nor individual teaching of Diaco (US Patent No.: 6,585,394 B2) and Hsu (US Patent No.: 6,394,624 B1) discloses a mounting bracket including a plurality of "U" shaped cuts in it upward directed edge receiving the connecting member of the light cover. Thus Diaco (US Patent No.: 6,585,394 B2) in view of Hsu (US Patent No.: 6,394,624 B1) does not meet the limitations of each of Claims 1 and 19

Therefore, claims 1 and 19 are allowed over prior art.

Claims 3-18 are necessarily allowed because of their dependency on the allowed base Claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
